

As consumers become more conscious about how the food they eat affects their bodies and our planet, they are seeking plant-based options that make them feel good and meet their need for crave-worthy taste.

THAT'S WHERE CRAVE HOUSE™ COMES IN.

Crave House uses culinary expertise and expert capabilities in sourcing, innovating and supplying products to consistently deliver high-quality, plant-based food at an affordable price.

PLANT-BASED CRUMBLES

- ✓ **MIND-BLOWING** taste & fewer ingredients
- ✓ **TWO VARIETIES** for broad menu inspiration
- ✓ **FULLY COOKED** and ready-to-heat and serve

47% of consumers are interested in plant-based pizza toppings on the menu¹

NEARLY 25% of pizza consumers would like restaurants to offer plant-based components¹
